

Organizational Committee 2005-06

The purpose of the committee is establish and support a group of leaders within the region that can support districts in the provision of high quality services to students with autism.

In 2004-2005, we will provide quarterly meetings and professional development activities for RAT members.

In 2005-2006, we will continue to provide meetings and supports for the implementation RAT activities.

In 2006-2007, we will continue to network within the RAT group and develop partnerships with other stakeholder groups in the area of autism.

We will know we are reaching our goals if the Regional Autism Team becomes a valuable resource to the Caveland Region.
