

## Caveland Assistive Technology Team

Date: March 7, 2006

Place: 11<sup>th</sup> Street Alternative School, Computer Lab

1. Leslie Hall presented information on PECs (picture exchange communication system) PECs is a way for students to express information using picture cards. Teachers can also make schedule boards for their daily routine.
2. Paula Borland presented information on Writing with Symbols. Group members were able to use the computer and practice using the program.
3. Leslie Hall presented information on Boardmaker. CATT members were able to practice using the program.
4. Melissa Moss presented information on MOODLE. Moodle is a free site set up like Blackboard from WKU. After looking into the program the group decided that for the activities that we do during our meetings that this would not be the best way to give and receive information.
5. Dates were set for next year. 2<sup>nd</sup> Tuesday of the month. September 12<sup>th</sup>, December 12<sup>th</sup>, January 9<sup>th</sup> and March 13<sup>th</sup>.
6. Topics for next year were discussed: intergrading AT in the classroom, presentation of Special education forms (AT, modifications, and SETS issues), using PDAs in the classroom, and Pam Petty from WKU to talk about technology. Email other suggestions to Paula.
7. September 12 will be Using PDA's in the classroom and Pam Petty from WKU.
8. Please continue to email Melissa Moss with any information to put on Caveland's website under Spotlight on AT.
