

## Conceptual Building Blocks

**January 29 & 30, March 26 & 27, and April 23 & 24, 2013**

GRREC Special Education Division is pleased to present *Conceptual Building Blocks*, a **6-day** training for K-5 teachers of mathematics in a co-teaching team or a special education teacher in grades K-5. Participants will experience and learn strategies that will help students develop a deep conceptual understanding of mathematical concepts in numbers and fractions. There are three modules: addition/subtraction (2 days), multiplication/division (2 days), and fractions (2 days). The modules were developed by Special Education Consultants across the state specifically to meet the needs of students with disabilities. Each session will include modeling, discussion, and a 'make-and-take' session.

Presenters will be GRREC's Special Education Mathematics Consultants: Jennifer Clemmons and Rebecca Gaddie.

**For: K-5 Co-Teaching Teams (1 Special Ed. Teacher + 1 General Ed. Teacher)  
OR K-5 Individual Special Education Teachers**

**Dates: January 29 & 30, March 26 & 27, and April 23 & 24, 2013
