Attend the Cultural Proficiency Institute and increase student achievement across every demographic!

Two members from your district are invited to participate and learn a framework for effectively describing, responding to, and planning for issues that arise in diverse environments.

Participants in this institute will:

- ▶ **Deepen** their understanding of the specific tools of Cultural Proficiency.
- ▶ **Develop** strategies to embrace culture as an asset.
- ▶ **Learn** the intersections between the Cultural Proficiency framework and poverty, english language learners, professional learning communities, and personalized learning.
- ▶ **Receive** tools to help mediate conversations with their colleagues, students, and parents.

Space is limited!

Attendance will be limited to only two participants per district. See back for more registration and location information.
