

## GRREC & KET EDUCATION Media Arts Day

March 22, 2017

GRREC Office & Training Facility • 230 Technology Way • Bowling Green 42101

GRREC is pleased to partner with KET EDUCATION to provide this exciting K-8 professional learning experience focused on developing a quality **Media Arts** program for your school. As teachers we want our learners to use their imaginations, creative processes and experience, both inside and outside of the arts. **Media artists** are able to plan, organize and develop creative ideas and models into process structures to achieve desired end products. In addition, the media arts integrates beautifully into various contents allowing opportunities for students to present, share, and distribute their works throughout various authentic contexts.

**Our morning Keynote Speaker, Gracie Lile** is a seasoned **Media Artist**. Since the age of four, Gracie has been sharing her passion for creating products at conferences and with educators in various school districts, as well as universities. She is an excellent

example of Student Agency in action. Gracie's use of humor and candor in her presentations are very refreshing and memorable.

**Our afternoon Keynote Speaker, Catherine Rubin** is a talented artist in her own right. She has served as an artist-in-residence for the Kentucky Arts Council and attended folk schools in the United States and Denmark. She has been featured as an artist on Kentucky Educational Television

(KET) as well as in the KET Visual Arts Toolkit. She will help us make connections between curriculum and **Media Arts** tools.

### **Participants Will:**

- *Learn best practices and tips when working with capturing audio, lighting, interviewing and basic video production*
- *Learn about a plethora of tools to add to your **Media Arts** toolkit*
- *Engage in conversation with a panel of educators composed of primary, intermediate, and middle school teachers regarding their work to design a quality **Media Arts** program in their schools*

**Audience: K-8 Classroom Teachers**

**Location: GRREC Office & Training Facility – 230 Technology Way Bowling Green, KY**
