

Hop into NGSS Across Your School and Across the Curriculum

A Hands-On Approach to Effective Teaching And Learning in the Elementary Science Classroom Grades K-5

Workshop #089-16

March 10 - 11, 2016

GRREC Training Center • 230 Technology Way • Bowling Green, KY 42101

Reeda Hart, STEM Outreach Director for the Center for Integrative Natural Science and Mathematics at Northern Kentucky University, will facilitate a two-day professional development to help you integrate science throughout your curriculum. Join us an engaging, active workshop that will have you exploring *new* NGSS lessons that address specific performance expectations, science and engineering practices, and cross cutting concepts. This workshop is perfect for teams of primary and intermediate teachers at each grade level in your school, K-5, to attend. **Each participant will receive a CD and Dropbox link of lesson plans and resources.**
