

Annual Training for KY Behavior Tracker for PASS Programs

July 22, 2015 (8:30 – 3:00 CDT)

Workshop #014-16

Green River Regional Educational Cooperative • 230 Technology Way • Bowling Green

Kentucky PASS programs have been using KY Behavior Tracker (aka BehaviorPlus™, EdPlan Behavior) to collect student behavior data. This session will demonstrate the use of the updated software and provide technical assistance. Data collected allows educators to develop plans, monitor student performance, and manage data to support results-driven instruction at the individual, district and state level.

We will also be looking at a more structured key of values for each Behavior Resolution in order to be more consistent across the region, as well as complete a fidelity activity to improve consistency of monitored progress.

Audience: KY Behavior Tracker Administrators and PASS Coaches using this software. Please send at least one person from each district who can share changes with users.

Presenter: PCG Education

Attendees should bring laptop or Ipad along with any questions or roadblocks you encountered this year.

Learning Targets:

- ***Able to develop plans, monitor student performance, and manage data to support results-driven instruction at the individual, district and state level***
- ***Able to provide technical assistance to colleagues on KY Behavior Tracker***
- ***Able to print necessary student reports***
- ***Able to use reports for individual, educational programming***

Audience:	KY Behavior Tracker Administrators and PASS Coaches using this software * Please send at least one person from each district who can share changes with users.
