Green River Regional Educational Cooperative is pleased to offer the PBIS Coaching 100 Training for PBIS School-based and District Coaches.

Coaching support aids in the effective implementation and sustainability of any initiative. School-based and district PBIS Coaches receive additional training opportunities each year in order to increase their capacity to support their schools and districts in the implementation of PBIS. Training sessions are designed to increase the knowledge, skills, and understanding of the process of coaching and of school-wide positive behavior supports. PBIS Coaching 100 is designed to provide Coaches with a framework to guide the initial implementation of PBIS Tier 1 Supports in their buildings or districts.
