The GRREC Leading to Learn Division is pleased to present the **Principals' Network Meeting** to Principals and Assistant Principals in the GRREC region.

Principals and Assistant Principals in the GRREC region will have the opportunity to receive an overview of Kentucky's forecast for education as we embrace a new Governor and a new Commissioner of Education. Dr. Stephen Pruitt, Commissioner, and Dr. Amanda Ellis, Associate Commissioner, of the Kentucky Department of Education, will join us electronically to discuss what ESSA means for Kentucky, the future of Common Core, accountability in schools, school funding, PGES, and KTRS along with other “hot topic” issues. During this 3-hour meeting, participants will engage in round-table discussions about issues that keep principals feeling stuck or become barriers that seem difficult to overcome. This Principal Network Meeting will be an opportunity for all building level administrators to come together and network with one another about similar issues or concerns.
