

iPad Boot Camp

July 28 and July 29, 2015 (8:30 – 3:30 CDT)

Workshop #004-16

Green River Regional Educational Cooperative • 230 Technology Way • Bowling Green

The GRREC Exceptional Children Division is pleased to offer this 2-day iPad Boot Camp training for Special Education Teachers, Occupational Therapists, Speech and Language Pathologists, Assistive Technology Specialists, Physical Therapists, Special Education Directors, Teachers of Deaf and Hard of Hearing, and Teachers of the Visually Impaired.

Learning Targets:

- Experience demonstrations of new and innovative ways to use the iPad to help individuals with disabilities achieve educational success.
- Experience Intensive emersion into apps, adaptations, accessories, and resources that benefit students who experience impairments related to vision, hearing, cognition, communication, learning, remembering, executive function, neurobehavioral, and physical disabilities.

Therese Willkomm, PhD, is the Director of New Hampshire's State Assistive Technology Program with the Institute on Disability at the University of New Hampshire (UNH) and is an associate professor in the Department of Occupational Therapy. Dr. Willkomm is known nationally and internationally as "The MacGyver" of Assistive Technology and has designed and fabricated thousands of solutions for individuals with disabilities including her patented A.T. Pad Stand, a multi-use assistive technology mounting device. She is also known throughout the country for her trainings on awesome iPad apps and adaptations. She has presented her work in 42 states, seven foreign countries and three U.S.

territories; has written 22 assistive technology related publications including her new book titled *Assistive Technology Solutions in Minutes – Book 2 and Ordinary Items, Extraordinary Solutions*; and has appeared on RFD TV, CNN and most recently NPR Science Friday.
